CPA (Australia) | FCA (ICAI)

Outsourced Accounting, Bookkeeping & Audit Support for Australian Accounting Firms

New Delhi, India · +91-8178-910-151 · Himanshigaba05@gmail.com · linkedin.com/in/himanshigabaca05 · Available remote/offshore (AEST-overlap hours)

PROFESSIONAL SUMMARY

Chartered Accountant and CPA Australia member with over a decade of audit, accounting, and financial reporting experience across PwC, Ernst & Young, and BlackRock — including extensive experience within Global Delivery Centre (GDC) and shared-services models supporting US, European, and multinational client teams remotely. Proven track record of high-accuracy bookkeeping, reconciliations, statutory audit support, financial reporting, and team leadership within structured, deadline-driven offshore delivery environments — the same operating model used by Australian accounting and CPA firms when outsourcing compliance and bookkeeping work offshore.

KEY HIGHLIGHTS

- CPA Australia — Associate/ASA status since 2024, fully CPA-qualified June 2026 — plus Fellow Chartered Accountant (FCA), ICAI
- 10+ years across Big 4 (PwC, EY) and BlackRock in statutory audit, ICOFR, financial reporting, and bookkeeping
- Proven Global Delivery Centre / shared-services experience supporting Americas and EU client teams — directly transferable to offshore support for Australian firms
- Working knowledge of IFRS and Ind-AS conversions — directly relevant to AASB, which is IFRS-aligned
- GST compliance experience (India) — a transferable framework for Australian GST/BAS-related work
- Led and mentored audit teams of 4–5+ across Big 4 engagements, with full ownership of finalisation and reporting
- Proficient in Xero; working knowledge of QuickBooks, Zoho Books, ERPNext, and Tally
- Visiting Faculty, ICAI — training Chartered Accountancy students in accounting automation, Power BI, and AI-driven tools

PROFESSIONAL AFFILIATIONS

- CPA Australia — ASA (Associate) status, 2024; CPA (full member), June 2026
- Fellow Chartered Accountant (FCA), Institute of Chartered Accountants of India (ICAI)
- Visiting Faculty, ICAI — ITT/AdvITT programme and AURA (AI Understanding for Rising Achievers) initiative

- Mentoring and training junior staff and CA students

PROFESSIONAL EXPERIENCE

Proprietor H Gaba & Co, Delhi	<i>July 2022 – Present</i>
--	----------------------------

Finance Transformation & Automation Specialist | ICAI Trainer | ERP & AI Consultant

- Conduct ICAI ITT/AdvITT training sessions on accounting automation tools including Power BI, MS Dynamics, and Tally; selected faculty for ICAI's AURA programme on AI applications in accounting
- Led migration of clients from legacy systems to ERPNext and Zoho Books, ensuring data integrity and process continuity
- Delivered high-accuracy bookkeeping, account reconciliations, and financial reporting for a portfolio of clients
- Built automation workflows for AP/AR, invoicing, and reporting using AI and RPA tools
- Advised business owners on identifying automation opportunities and digitising financial operations end-to-end

Associate BlackRock India Private Limited	<i>Feb 2021 – Apr 2022</i>
--	----------------------------

Bookkeeping & CFO Services — Global Shared Services Delivery

- Delivered end-to-end bookkeeping and reporting within BlackRock's global shared-services delivery model, supporting statutory audit, tax audit, ICOFR, and consolidation for international stakeholders
- Managed monthly close, accruals, GST, asset capitalisation, and reconciliations, reporting to a global FP&A team
- Supported Ind-AS conversion for group reporting, coordinating across time zones to meet deadlines
- Built strong cross-functional stakeholder relationships and led process-improvement initiatives that increased operational efficiency

Assistant Manager Ernst & Young (EY)	<i>Oct 2018 – Dec 2020</i>
---	----------------------------

Global Delivery Centre — Supporting Americas & EU Audit Teams

- Led end-to-end statutory and group audit engagements, process audits, and Ind-AS conversions within EY's GDC model, remotely supporting onshore Americas and EU engagement teams
- Managed a team responsible for finalisation of financial statements, risk management, and governance reporting
- Developed automation bots for statutory dues, debtor, and creditor testing as part of EY's audit automation initiative; trained team members on these tools
- Engaged in regular client communication to understand business processes and ensure audit requirements were met

Senior Associate PricewaterhouseCoopers (PwC)	<i>July 2015 – Sep 2018</i>
--	-----------------------------

Service Delivery — Independent Audit Handling

- Conducted audits independently and led planning/execution of audit procedures within PwC's service-delivery framework
- Managed a team of 4–5, overseeing finalisation of books of accounts and mentoring associates
- Evaluated internal controls and built risk control matrices for ICOFR compliance, including tax audits and stock counts
- Reviewed and analysed balance sheets and profit & loss statements, contributing to comprehensive audit reports

Senior Vinay Sethi and Associates	<i>May 2011 – July 2015</i>
--	-----------------------------

- Managed bookkeeping for clients including educational institutions and telecom companies, maintaining compliant documentation
- Assisted statutory and internal audits, conducting monthly reconciliation reviews of key balance sheet items

- Prepared and filed statutory returns in compliance with MCA, Companies Act 2013, and Income Tax Act regulations
